The High Networth Individuals, NRIs, PIOs and Companies with surplus funds will be approached by Vasishtha team and request them to register as Network Investors in the Platform - **Angels**.

First-Level Screening: Investment Advisors of Vasishtha Angels will study the information of the company and will do investment analysis of the company and prepare an **Investment Scorecard** individually.

Next-Level: If the average investment score of the company is above cut-off score, then the shortlisted company - proposal will be moved to next level to In-house Equity Research Department

Research Analysts of Vasishtha will analyze the company and prepare an **Equity Research Report - Flyer** and disclose the investment score of all the Advisors done for shortlisting, in their report and copy of it will be given to respective startup - company.

The shortlisted Startups or Company's Equity Research Report along with Investment Scorecard, Pitch Deck and Financials will be shared with our Network Investors.

The monthly Investor Meet will be conducted and shortlisted startups will present-pitch to the Angels - Network Investors (sufficient time will be given to each company to clarify the queries of Investors)

If interested, the Network Investor will convey his acceptance and will sign the term sheet and release funds to their selected companies, individually or collectively at their own risk.

Today there are several startups with bright ideas, business and revenue models but are unable to access the right kind of Angel Investors. This is where Vasishtha Angels makes the difference, by helping in raising # Right Money @ Right Time @ Right Valuation.
